International mobility is a unique opportunity for professional and personal development through the exposure and interaction with diverse cultural realities, improving employability and fostering a culture of cooperation, essential for common understanding and value-sharing between countries.

Parallel International Events (for the ones who registered in these events)

NEOLAIa Alliance: Transforming Regions for an Inclusive Europe

NEO Entrepreneurship Conference

10:00-16:00

The second edition of NEO Entrepreneurship Conference will explore a contemporary vision of entrepreneurship, emphasizing innovation, sustainability, and the leveraging of emerging technologies. This interdisciplinary forum brings together academics, researchers, and professionals to foster critical dialogue and reflection on the evolving landscape of entrepreneurship. Recognized as vital hubs for innovation and new venture creation, universities play a pivotal role in fostering thriving local and regional entrepreneurial ecosystems. More info [HERE ->](#)

International Economic Conference: Challenges and Opportunities for a Sustainable Development

Organized by the Faculty of Economics and Public Administration at "Ștefan cel Mare" University of Suceava, the event will take place on June 4-5, 2026. We invite academics, researchers, and Ph.D. students to submit their contributions regarding the latest economic trends and sustainable development strategies.
